

Reassigning LogMeIn to Another Account

LogMeIn, while installed on your computer, can be reassigned to another LogMeIn account:

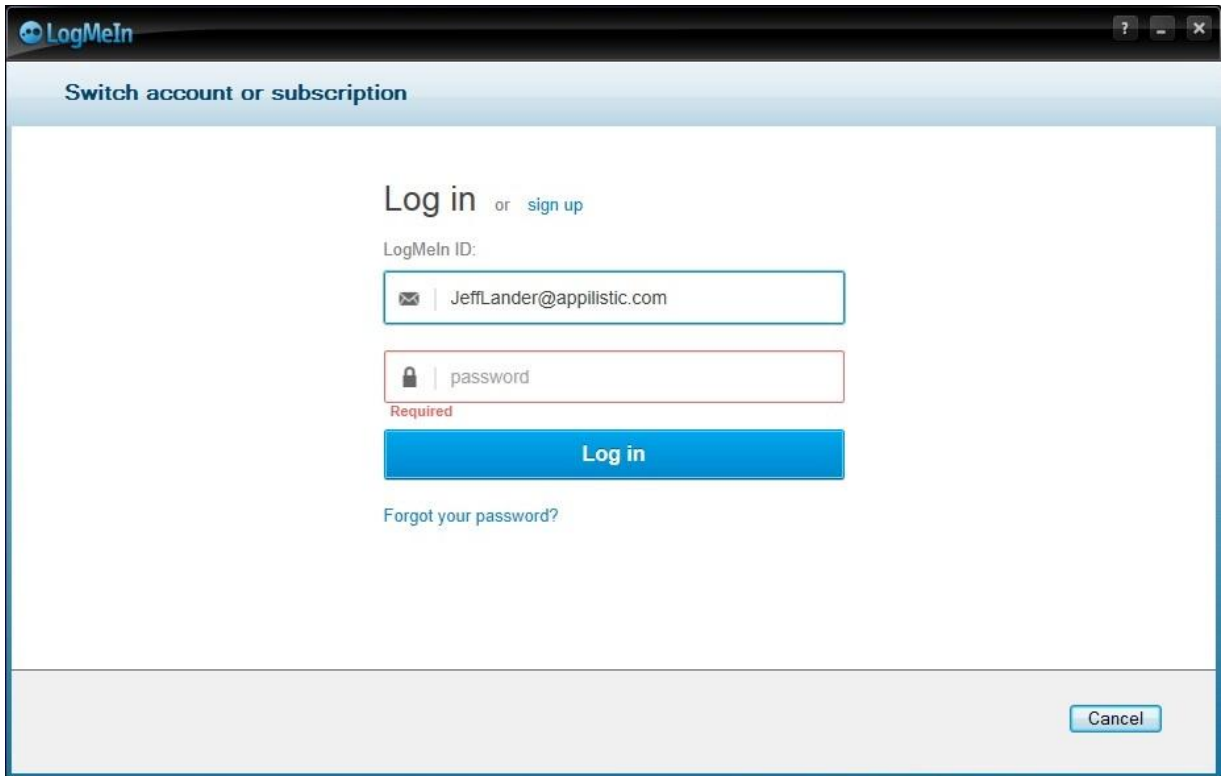

- 1) Open the LogMeIn Control Panel;
 - a. Find the LogMeIn icon in your icon tray.
 - b. Click on the icon and select “LogMeIn Control panel”.

- 2) Open the “About” tab and click the “Switch Account or Subscription” button;

3) Reassign the account (Administrator permissions will be required):

The image shows a LogMeIn login dialog box. At the top left, the LogMeIn logo is visible. The title bar reads "Switch account or subscription". Below this, the text "Log in or sign up" is displayed. Underneath, the label "LogMeIn ID:" is followed by a text input field containing the email address "JeffLander@appilistic.com". Below the email field is a password input field with a lock icon and the text "password". A red "Required" label is positioned below the password field. A blue "Log in" button is centered below the password field. At the bottom left, there is a link that says "Forgot your password?". At the bottom right, there is a "Cancel" button.
